

Name: Nicola Chisholm

Class: Marketing Coordinator

What is your favourite animal?

My favourite animal is a Sea Lion, I love the way they look so graceful and streamline in the water.

What is your favourite food?

Love French food, especially the cheese!

What is your favourite subject?

At school I loved Geography, I had the best teacher and it was interesting to learn about our physical world.

What primary school did you go to?

I went to lots of primary schools, because my dad was a Policeman and we moved a lot: Hillview (South Tamworth), West Kempsey Public, Epping Public and Castle Hill Public Schools. I wish I had gone to just one primary school!

What made you want to be a teacher or want to work in a school?

Working in a school has been the best place, I love how every day is amazingly different, all the students are so interesting and polite. It is an incredibly happy place to be!

What do you love about OLPS?

I love our amazing school community. Our community really supports one and other and the incredible friendships. The OLPS teaching team and staff and fantastic to work with and I learn so much from our staff. Our school is a very positive and happy place.

As a staff member here at OLPS, what are you most proud of?

I am so very proud to have this incredible role as Marketing Coordinator. It is a privilege for the opportunity to be a part of the school to help connect with the community. During the difficult time when parents were not allowed on site, it was an honour to be able to share what was happening at school with parents. I am most proud of our school community.
