## ABOUT OLPS

---

Our Lady of Perpetual Succour Primary School was opened in 1962 with a staff of one Sister of Mercy and 32 Kindergarten children. The school now offers a comprehensive Kindergarten to Year 6 program which is administered by highly qualified teachers and excellent support staff.

As a Catholic School, we share in the evangelising mission of the church. **“By their witness and their behaviour, teachers are of the first importance to impart a distinctive character to the Catholic School”**. (Sacred Congregation for Catholic Education, Rome, 1977). Teachers place the highest priority on individual attention to each student's needs in all key learning areas as well as to their physical, spiritual, social, emotional and academic development.

As well as highly qualified classroom teachers who take responsibility for classroom programs in all Key Learning Areas, the school employs specialist teachers for Creative Arts and Physical Education. Tennis, instrumental and band classes are also available to our students.

An on-site facility providing out of school hours care operates before and after school, OLPS FJ's OSHC. Staff at FJ's plan a wide range of recreational activities within a safe and creative environment. FJ's hours of operation are 7am-9am and 3:05pm – 6:00pm. ### FEE RELIEF

OLPS and Catholic Schools Broken Bay are here to support families through difficult times. Throughout COVID there has been an increase in sibling discounts and greater access to fee relief programs. Where hardship would prevent any parent from providing Catholic schooling for their children, they should seek an interview with the school Principal. It is not the intention of the system to deny any family access to a Catholic education for their children. Tuition fees are set by the Catholic Schools Broken Bay. Accounts are sent to parents in Terms 1, 2 and 3 only.

## SCHOOL OPERATION

---

### OLPS HOURS OF OPERATION AND SCHOOL BELL

It is important that students arrive at school on time before the morning bell. Before school playtime is a valuable opportunity for students to start games and establish good positive relationships with peers for the rest of the day. Late arrivals are disruptive to class routines and leads to stress and anxiety for the student with the need to 'rush to class'.

<b>Learning everyday matters!</b>	Supervision commences at	8:25 am
	Morning bell	8:50 am
	Morning Recess	11:00 am – 11:30 am
	Lunch	1:00pm -1:45pm
	Afternoon bell	3:05 pm

### COMMUNICATION

At OLPS we pride ourselves on providing strong communication links with parents, the parish and the Catholic Schools Broken Bay Diocese. We would expect parents to contact the school to discuss their children's needs at any time.

### PARENT TEACHER COMMUNICATION - INFORMAL and FORMAL

A weekly update called "The Week Ahead" informs parents of current school happenings and provides details of future events. This publication is emailed to parents on a Friday morning. A regular report is included from the P&F as well as from the Parish.

Learning Conversations	Term 1
Parent Teacher Interviews	Term 2
Interviews (Kindergarten - Year 6)	on request
Written Reports (K - 6)	Term 2 and Term 4

## **CANTEEN**

A school canteen operates on Mondays and Wednesdays during the term. A price list is sent home at the beginning of the summer and winter terms and can also be found on the school website. The Canteen is a Green Canteen in line with requirements that are mandatory across all NSW schools.

Parents volunteer to be placed on the canteen roster. A Canteen Coordinator has been employed to help with the smooth running of the canteen and to ensure all procedures associated with the canteen fit with WH&S and food handling guidelines. This Coordinator works in the Canteen on Mondays and Wednesdays with the volunteers.

## **PARENTS AND FRIENDS ASSOCIATION**

An important role of the P&F is to promote strong links between the parents and the school but also strong links between families, where members of families really feel that they belong to the school. An active parent group also ensures the school is well resourced and the grounds are always well maintained. The P&F meets regularly and conducts information giving and fundraising activities for all parents. Class Parents support the P & F and help develop healthy relationships between parents in the class. Parents support classroom programs by working 1:1 with children or with small groups.

The Parents and Friends Association organises regular socials and fundraising events to maintain the grounds and continue to provide resources of the highest quality for all children.

## **SCHOOL AND PARISH**

### **Family Based Sacramental Program**

All children in schools across the Broken Bay Diocese have access to family based Sacramental programs which are organised in each parish by Sacramental Coordinators and supported by the Sacramental Team which includes the Parish Priest and may include the Principal and Religious Education coordinator of the school.

At OLPS Sacraments are celebrated in the following order:

Confirmation	Year 3
Reconciliation	Year 4
First Eucharist	Year 4

Parents are invited to celebrate the Eucharist with the children attending Mass at school on special days as outlined in the school calendar. Different classes take responsibility to plan Masses and Liturgy of the Word throughout the year. Parents are informed of dates and times throughout the term.

Family Masses are a feature of the Pymble Parish with members of families being actively involved in different aspects of the celebration of the Eucharist. Dates for these Masses are announced in the school's calendar, the weekly "The Week Ahead" and in the Parish Newsletter.

## BEHAVIOUR AND DISCIPLINE

At OLPS, we seek to develop in the child's Gospel values, social responsibility, self-discipline, interdependence and initiative while at the same time building the child's own self-concept through a system of praise, encouragement and rewards.

Children are expected to respect the feelings and property of others, grow in responsibility for their own actions and when behaviour is contrary to the rules of the school, accept consequences that are just and well matched to the errant behaviour.

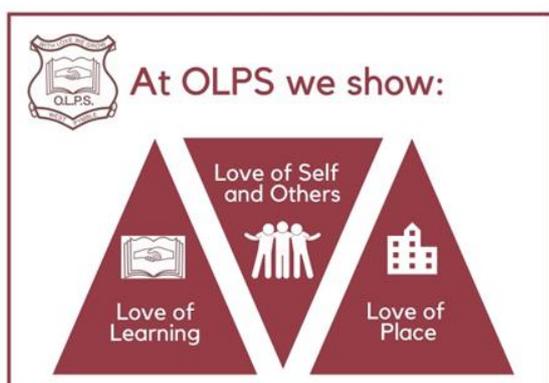

**Corporal punishment is expressly prohibited at OLPS.**

### Positive Behaviours for Learning

OLPS has successfully implemented the Positive Behaviours for Learning (PBL) program. The PBL framework helps schools create a positive learning environment by developing proactive whole school systems that define, teach and support appropriate student behaviour. PBL focuses on changing the environment to better meet the needs of all students and ensure that learning time is maximised.

PBL is a broad range of systemic and individualised strategies for achieving important social and learning outcomes while preventing problem behaviour.

The whole school approach is focused on creating and sustaining a multi-tiered approach to prevention and intervention for behaviour. Effective Tier I prevention programs are intended to support the majority of students, and also to identify students who require more specialised and intensive assistance for Tier II and Tier III. The following are the OLPS rules:

### At OLPS we show

#### Love of Learning

Learn and let others learn

Be in the right place at the right time

Be prepared

Have a go and do your best

### At OLPS we show

### At OLPS we show

We are rolling out a new RE Syllabus, developed by Catholic Schools Broken Bay. Currently the new syllabus is being implemented in Kindy and implementation will continue in 2023 in Year 1 and Year 2. We encourage all members of our community to behave in a way that clearly reflects Gospel values and our school motto “With Love We Grow.”

- Offering strategies to teachers related to behaviour management.

The Learning Support Teachers meets regularly with the class teachers to review the learning support being offered, whether new children need to be included and others withdrawn from

learning support. The timetable is changed to enable the Learning Support Teacher to work with those who most need more specialized teaching.

### **GIFTED AND TALENTED**

Students who exhibit characteristics of being Gifted and Talented for their stage of development are identified through co-operation between teachers, parents and the principal. Strategies that may be used in our school include differentiation of the curriculum, extension work, enrichment programs, partial acceleration, acceleration, extra curricular activities, external support from Catholic Schools Broken Bay and professional learning for teachers.

Homework provides an opportunity to:

- practise skills,
- develop time management strategies
- engage parents in their children's learning.

(See Homework Policy on the school website)

### **EXCURSIONS**

Excursions are a vital and integral part of the learning process and we know that children learn most from firsthand experiences. Teachers are asked to plan excursions in consultation with their stage partners wherever possible. Each excursion should be planned thoroughly around one or more curriculum areas for either their education or cultural value. Parents are encouraged to take part in excursions wherever possible. Permission notes **MUST** be returned signed prior to the excursion. Apart from senior school camps, a three-day trip to Canberra and two-day trip to Port Hacking, the cost of excursions is included in the students' fees.

### **LIBRARY**

Our school library is an integral part of our total curriculum. Each class has a library lesson once a week. Library days are Wednesday and Thursday. All students K-6 must carry their library books in their school satchel. Regular weekly borrowing by students is encouraged. Parents are most welcome to assist with book covering.

Each child has their own username and password for access to the O drive, the internet, email, google documents or google classroom. Each teacher and child have signed a declaration agreeing to acceptable use of the internet. Teachers are always asked to supervise students' use of the Internet. The Internet may not be accessed by any child without direct supervision of a teacher. The Internet is only to be used for educational purposes.

Every classroom has an interactive whiteboard and Apple TV, which teachers use to enhance teaching and learning.

### **ASSEMBLY**

### **BUDDIES**

Students entering Kindergarten are allocated a special Year 5 or 6 buddy. The buddy takes special care of the younger child as they settle into school life. The buddy can check up on the child during break times and can be a friendly face to go to in times of need. The buddies sometimes come to help their Kindergarten friends in their classrooms. New children in any grade are also allocated a buddy.

New families are also allocated a buddy family. The buddy family support the new family in a whole range of ways by welcoming the new family in a very personal way, answering questions and generally orientating the new family into life at OLPS. Communication between the families is informal and flexible depending on needs and interests.

### **BULLYING**

OLPS School is committed to providing a safe and caring environment that fosters respect for others and does not tolerate bullying. Bullying is defined as repeatedly hurting another person who is feeling less powerful - either physically or psychologically. (Please refer to the Anti Bullying Policy on the website.)

### **STUDENT LEADERSHIP**

All students in Years 5 and 6 are encouraged and taught to be school leaders. Each child is encouraged to develop their special gifts and talents for the benefit of the whole school community. This is a focus in Term 1, with leadership opportunities for Years 5 and 6 such as a leadership camp and development of leadership roles in collaboration with the senior students. Senior students lead and serve all students to make OLPS a place where love can grow.

## ABSENCES

Daily attendance at school is most important. If a child is to leave the school after arriving, and before 3.05pm, parents must sign the child out from the school office.

If a child is ill, the parents are responsible enter into COMPASS their child absence to inform the school of their child's illness. Parents arriving late with their child or leaving early MUST sign into the COMPASS kiosk.

If the child will be away for an extended period (for reasons other than illness) the parents should inform the Principal before the period of leave. ***Parents are strongly encouraged not to take their children out of school for family holidays as long absences can result in gaps in the child's learning which are often difficult to catch up on.*** However, if family circumstances require students to miss more than consecutive ten days of school parents are required to seek the permission of the principal through the Application form for Extended Leave. This form can be found under forms on the school website.

## BOOK CLUB

Scholastic Book Club is run by parent volunteers. Teachers distribute order forms and collect money which is sent to the office. Parents distribute books when they arrive. The Scholastic Book Club assists to raise funds and books for the school library. Please do not feel pressured to purchase books.

## CLASS PARENTS

Each year parents are invited to act as a Class Parent for the year. This role involves acting in a social, communicative and community support role for the parents of that class. It is an important role in establishing networks of support for new and existing families within the school.

## LOST PROPERTY

Children are encouraged to look after their own belongings. All items belonging to the child should have his/her name on them. Any lost property is in a container located on the green verandah. This container is cleaned out every week and clothing with names are allocated to property container of that class that child is in. After some time items without a name are donated to charity.

## SATCHELS ...messages to and from the office

All notes and messages for the office must be sent to the office through the class satchel.

Children exiting via Grayling Road wait for the duty teacher at the Grayling Road gate and walk with the teacher to Grayling Road. This teacher supervises children across Grayling Road and to parked cars. There is no teacher supervision after school on the school playground.

Children who are not collected are brought by the duty teacher to the School Office to ensure they are supervised until parents can collect them.

It is NOT to be used for personal gain and profit nor as a means of gossip or defamation.

We believe it is the responsibility of all to promote child safety and have a clear understanding of their legal child protection responsibilities and act in accordance with those responsibilities.

In particular the school will strive to:

1. Utilise best practice, child rights and child safe principles to ensure continuous improvement in the area of safeguarding therefore maintaining our responsibility under the *National Catholic Safeguarding Standards and NSW Child Safe Standards*.
2. Maintain professionalism in our interactions with children and young people at all times by exercising appropriate duty of care and maintaining appropriate professional boundaries.

We believe in listening to children and our school community when concerns are raised. We take complaints seriously and try to resolve them in the most appropriate, efficient and confidential manner possible following the below pathways:

- If you have a concern or complaint about a student other than your own child you should raise it with the year coordinator.
- If your child has a concern or complaint about another student they should raise the issue with the relevant teacher, KLA coordinator or assistant principal.
- If you or your child have a concern or complaint about a staff member relating to teaching and learning, the issue should first be discussed with the relevant teacher, KLA coordinator or assistant principal.

If you or your child have a complaint about the inappropriate behaviour of an adult towards any child or young person, your concern should be directed to the Principal and confidentiality must be maintained.

***See also Appendix 2: MAINTAINING PROFESSIONALISM***

It is important that all volunteers and contractors are aware that they are subject to child protection legislation. This means all volunteers must:

- Sign on at the front office, receive an induction pack and get a visitors' badge from the office as per school procedure.
- Check with the school what the current requirements are for working with children in their volunteer role.
- Follow our commitment to safeguarding and not engage in any inappropriate behaviour towards any children. Although volunteers are technically not employed by the school, they are considered to be 'staff' for legal purposes and need to be aware that complaints about inappropriate behaviour towards a child or young person is subject to investigation.

Tuesday 19 December- **Staff Development Day** (Pupil Free Day)

## **Staff Development Days**

Staff development days are **pupil free days** and an opportunity for the staff to participate in an intense one-day Professional Development that directly relates to our School Improvement Plan and goals for the year.

In the Broken Bay Diocese, five days are set aside each year for staff. The day before the students return to school after the Christmas holidays is always the First Staff Development for the year and the last two days of the year are also Staff Development Days. It is then up to the discretion of the principal as well as availability of guest speakers as to when the other two days are. At OLPS, we always try to give parents as much notice as possible so they can plan alternative childcare arrangements.

### SAFEGUARDING INFORMATION

We are committed to providing safe communities for students at our school to grow and learn as outlined in our [Diocesan Commitment to Safeguarding](#). We recognise the rights of children as outlined in the [Diocesan Framework on the Rights of the Child](#) and promote safe and supportive environments where we all have a responsibility to keep children safe from harm.

All staff are expected to promote child safety and have a clear understanding of their legal child protection responsibilities and act in accordance with those responsibilities.

The [NSW Child Safe Standards \(NSWCSS\)](#) [National Catholic Safeguarding Standards \(NCSS\)](#) provide a principle-based framework that our school commits to using for continuous improvement as part of our commitment to safeguarding.

#### Responding to Risk of Significant Harm

All school staff are Mandatory Reporters. This means that if there are reasonable grounds to suspect that a child or young person is at risk of significant harm of abuse or neglect, then a report must be made to the Department of Communities and Justice (DCJ), Child Protection Helpline (CP Helpline) on 132 111. School staff and Principals are supported by CSBB Safeguarding Office as required and all records are stored confidentially.

We recognise that a statutory response is not always required and where a family may need extra support, we will assist in making referrals to support the family if needed.

If you have concerns about a child or young person who you consider may be at risk, we encourage you to discuss your concerns with the Principal as soon as possible and maintain confidentiality.

### MAINTAINING PROFESSIONALISM

All staff, volunteers and contractors are expected to act professionally and in accordance with the school's expectations regarding staff conduct toward children and young people. Guidance and professional development about appropriate interactions with students, how to exercise duty of care and how to maintain professional boundaries is provided.

We understand that staff, volunteers and contractors have a duty of care to:

- Ensure no child or young person is exposed to foreseeable risk of harm;
- Take action to minimise risk;
- Supervise actively, and report concerns to the Principal or seek further advice if they see others acting inappropriately with children or young people.

Staff, volunteers and contractors strive to:

- Demonstrate appropriate relationships with children and young people that cannot be misinterpreted as overly personal or intimate;
- Remain within the responsibilities of their roles and allow those appropriately trained to deal with student welfare concerns;
- Minimise physical contact with children and young people unless it is necessary to exercise appropriate duty of care;
- Follow the school's policies and procedures relating to pastoral care and wellbeing including serious incidents and reporting risk of harm.

### **Addressing complaints of inappropriate behaviour of adults towards children and young people**

We are committed to providing a safe and supportive environment for both students and staff. This includes addressing complaints of inappropriate behaviour of staff, volunteers and contractors towards any child or young person.

Such complaints are handled differently to other types of complaints which may arise in the school because of legal obligations established by the *NSW Children's Guardian Act 2019*. The NSW Office of the Children's Guardian is a government agency which requires schools and other organisations working with children and young people to ensure systems are in place for recording and responding to all allegations of a child protection nature against staff, volunteers and contractors.

If you have concerns about alleged inappropriate behaviour by staff, volunteers or contractors towards any child or young person it is important that you discuss your concerns with the Principal who in turn will consult with the CSBB'S Safeguarding Office.

All complaints are taken seriously and follow a fair and confidential process which involves listening to all parties and giving opportunity for response. If the concerns involve alleged criminal behaviour they will be reported to the police and CSBB will wait for the outcome of the police investigation before continuing its own investigation. More information can be found in [\*SAFEGUARDING & CHILD PROTECTION POLICY FOR CATHOLIC SCHOOLS BROKEN BAY: ADDRESSING ALLEGATIONS OF INAPPROPRIATE BEHAVIOUR BY EMPLOYEES TOWARDS CHILDREN \(January 2021\)\*](#).

### **WORKING WITH CHILDREN CHECKS**

Working With Children Checks are required by staff, and certain volunteers and contractors in our school.

The purpose of the check is to exclude people from working with children and young people who are not suitable. A person who has been convicted or found guilty of a listed serious offence against children (whether in NSW or elsewhere) is prohibited from child-related employment.

Parent participation, involvement and help are welcome and appreciated for various activities both in school and on excursions. It is important to note that all parent helpers / volunteers are subject to child protection legislation.

CSBB Safeguarding Office supports our school to fulfil obligations under Child Protection (Working With Children) Act 2012. Further information on the Working With Children Check can be found on the website for the [Office of the Children's Guardian](#). Further information can be found in the [SAFEGUARDING & CHILD PROTECTION POLICY FOR CATHOLIC SCHOOLS BROKEN BAY: WORKING WITH CHILDREN CHECK \(January 2021\)](#).
