OLPS 2024 ENROLLING NOW

Holistic Learning Opportunities

At OLPS we strive to develop the whole person. Students thrive in an environment which caters for their spiritual, academic, social emotional, creative and physical needs. Students can participate in several groups including; coding, debating, gymnastics, dance, guitar, tennis, public speaking, drama, social justice initiatives and sport clinics.

Interactive Learning

Multimodal learning experiences that explore real world problems through deep learning, integrated technology and critical thinking skills. Specialist teaching for STEM, Visual Arts, Music and PDHPE

Play

A variety of play spaces that promote the development of social and emotional learning skills including natural bush, dry river bed, mud kitchen, sand pit, green spaces and sport courts.

Transition to School

We hold strong relationships with local early learning settings. We offer transition programs to support school readiness including school visits, student buddies, parent information sessions and networking opportunities.

School Life

- Nurturing school community
- Positive Behaviour for Learning framework
- Outstanding academic results
- Small class sizes
- 1:1 devices
- Onsite before & after school care
