

OLPS The Right Step in Your Education Journey

OLPS Primary School offers a comprehensive education from Kindergarten through to Year 6. Our students engage in meaningful, real world and challenging learning opportunities that develop in students the necessary skills of collaboration, critical thinking, communication and creativity to thrive in an accelerating world.

OLPS is blessed to be a small Catholic school with a strong community spirit. Many families maintain their connection with the OLPS community well beyond the completion of their primary school years.

OLPS Senior Learning Hub

The Senior Learning Hub prepares our Year 5 and 6 students for a successful transition to high school delivering innovate, student lead learning opportunities.
